The centre of the island - idyllic and pure

The centre of the island is where the true, pure Majorca and its inhabitants are still to be found. The view of the Tramuntana mountains and the picture-book natural landscape are beyond compare. The village of Binisallem, particularly well known to wine lovers, Inca, the 'city of leather', places like Campanet, Llubí or the romantic village of Santa Maria reveal the Majorcan way of life at first hand. Weekly markets, old men in front of the bars next to the church, tapas, herbs, music.... the clocks seem to move a little slower here. The local winemakers have made a name for themselves which has spread far beyond the Balearic Islands. And the wine cellars are open to visitors.

If you dream of a house in the country, set among fields and orchards, this is where you will find it. And there's no need to do without excellent facilities and connections with Palma and the coast.
